

Fall Star Party

Saturday, November 18, 2017

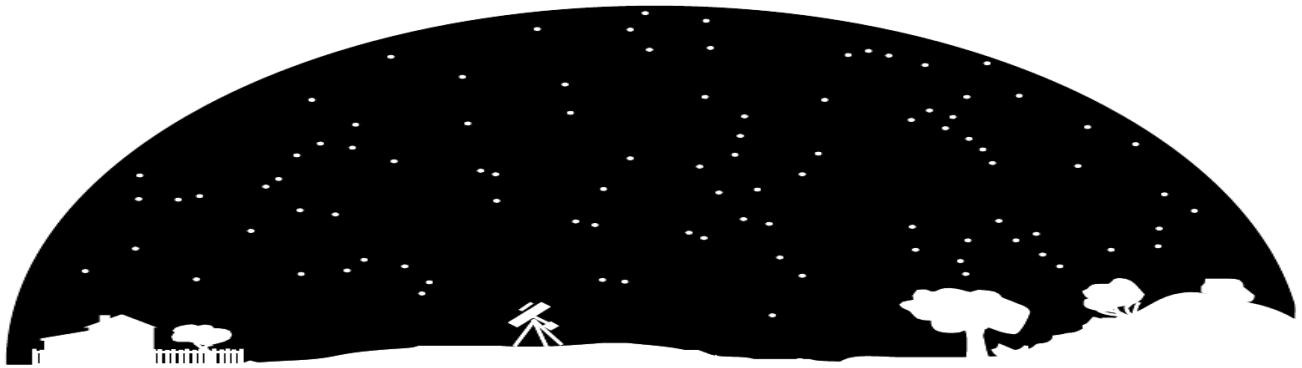

*Weather permitting

8:30 – 9:30 p.m.

*Please arrive at 8:30 p.m. to limit lights in the area/eye adaptation

Community Park, 691 E. Dayton-Yellow
Springs Rd.

*Please meet at Shelter #4 at the bottom of Community Park

Enjoy an evening under the cosmos. With the guidance of a local astronomer, casually navigate through the universe to view our neighboring planets and the deep reaches of the Milky Way Galaxy. The Leonid Meteor Shower will be a focus of this Star Party. This adventure will happen under the stars of Community Park. Telescopes will be setup however you are encouraged to bring your own. Children under 12 **MUST** be accompanied by an adult.

**RSVP by Friday, November 17 to the Parks and Recreation
Office (937) 754-3090**
